the case of disagreement.

# Osama Al-Zoubi

**Chief Technology Officer  
Cisco Middle East and Africa**

Osama Al-Zoubi is the Chief Technology Officer (CTO) of Cisco Middle East and Africa. A key area of focus under Osama's leadership is the development and execution of technical strategies for digital transformation for the Middle East and Africa region.

Osama drives technology strategy and innovation, through working closely with Government Agencies, Enterprise Customers, Private Sector and Partners across the region. His focus is on developing Business and Technology Architectures to deliver on government priorities, drive innovation, and partners to accelerate country digitization.

Osama is experienced and regarded as a technical leader who leads the Systems Engineering, Innovation, and Architectures organization for Cisco in the Middle East and Africa. In his role, he partners with all customers across the region to drive innovation and digital transformation.

He has a Bachelor of Science degree in Computer Engineering from the University of Illinois, Chicago (UIC), and a master's in computer science from the Illinois Institute of Technology (IIT), in Illinois, Chicago.

Osama joined Cisco in 2001 in Chicago, IL USA.

## **Dr. Mansoor Habib**

### **Head of Happiness & Tolerance- du**

Dr. Mansoor Habib is An ambitious Emirati Family Medicine & Occupational Health Consultant Physician, Happiness Expert, Diversity & Inclusion Advocate and A Motivational Speaker.

He joined du in 2009 & since then he has established two in-house staff clinics and a wellness department. In addition, he created a happiness framework that helped increase employee engagement & productivity. Recently he was appointed to lead the national tolerance agenda in the organization.

In addition to his medical degrees that includes 2 Masters & 1 Phd, Dr. Mansoor graduated from two important training programs organized by the Prime Minister Office. The first one is the UAE government executive leadership program in collaboration with Oxford University and the second program was on happiness and positivity for the private sector, in collaboration with Wharton University.

He writes regularly about wellness-related articles in various newspapers and magazines around the country. In 2015 he published the Arabic book "The Carpenter Door is broken."

## **Hani M Al Zubaidi**

### **CEO of Make A wish Foundation**

Hani Al-Zubaidi is the CEO of Make A wish Foundation since 2012 and works as a consultant and co-worker in charitable and humanitarian work for local and international NGOs since 2004. Al-Zubaidi strongly believes in self-motivation and continuous training to achieve success in all business. He is highly qualified in presentation skills, negotiation and has extensive experience in managing and developing leading charities specialized in the fields of charitable, humanitarian and relief work.

Al-Zubaidi received his bachelor's degree in financial and banking studies in 2011 from the Institute of Financial and Banking Studies in the UAE. He has held several positions during his career; Executive Director of Al-Hayat for Relief and Development from 2007 to 2012 and Director of Financial Development and Marketing Between 2005 and 2007. He received many awards and recognitions such as Islamic Affairs and Charitable Activities Award for 2008, and the Employee of the Year Award from Al Hayat for Relief and Development 2008.
